I am including an attachment meant to assist travelers in getting to and from the hotel from Kansas City International Airport. If attendees rent a car, the hotel charges an additional \$6.75 (U.S.) per day to use their parking garage. There is a limousine service which runs regularly between the hotel and the airport. The charge is \$12.00 (U.S.) each way.

If you have further questions, comments or suggestions please feel free to contact me at my office during the week. My telephone number is (816) 997-3590.

Your sincerely,

Maurice Smith  
Principal Engineer
